

Peterborough Music Hub (PMH) Whole Class Instrumental Tuition (WCIT) Schools Offer 2018-19

Welcome to the Peterborough Music Hub 2018/19 Whole Class Instrumental Teaching (WCIT) offer to schools. To take up this fantastic opportunity for your students please read carefully then complete and return the form (Post or Scan by email) by **Monday 11thth June**.

What Is WCIT?

The aim of WCIT is to provide young people the opportunity to learn to play an instrument as well as developing musicianship through singing, rhythm games, basic notation and listening. Performance opportunities are built into the programme so classes have the opportunity to perform.

Why have WCIT in School?

A core requirement of the National Plan for Music Education is that every child should have the opportunity to learn a musical instrument during their education for at least 1 term.

There are many benefits of learning an instrument:

- 'a direct link between music and improved reading ability in children'
- 'positive impact...on personal and social development'
- Ofsted say that children's involvement in music engages and re-engages pupils, increasing their self-esteem, and maximising their progress in education and not just in music. (Government Policy Paper - The importance of music: A national plan for music education, 2011)

A priority for PMH is to encourage and nurture the progression of aspiring players, including those with a glimmer of interest in early years. PMH teachers, in conjunction with class teachers, TA's and Music Co-ordinators, can identify students who have an aptitude and desire to learn following their WCIT experience. For some this is start of a life-long hobby or, indeed, the first step on a rewarding career path.

For all other teaching (e.g. Individual lessons, ensembles), the school contacts PMH who will advise them on suitable teachers from the Music Teacher Scheme.

Contracts and Invoices for services are issued prior to the start of each term and must be signed and returned for WCIT to begin.

How Much Does WCIT Cost?

All Peterborough schools have access to a WCIT subsidy as outlined on the application.

NB: up to 15 minutes of a 1hr session is setting/packing up with 45 minutes of teaching time.
