INTRODUCTION

Peterborough Music Hub (PMH) and The Peterborough Centre for Young Musicians (PCYM) fully recognise the responsibility it has under section 157/175 of the Education Act 2002 to have arrangements in place to safeguard and promote the welfare of children.

This responsibility is more fully explained in the statutory guidance for schools and colleges 'Keeping Children Safe in Education' (September 2020). All staff must be made aware of their duties and responsibilities under part one of this document, which are set out below.

Staff should read the above document together with 'Annex A' of 'Keeping Children Safe in Education' (September 2020) and 'What to do if you're worried a child is being abused: Advice for practitioners' (March 2015).

Through their day-to-day contact with pupils and direct work with families all staff in PMH & PCYM have a responsibility to:

- Identify concerns early to prevent them from escalating;
- Provide a safe environment in which children can learn;
- Identify children who may benefit from early help;
- Know what to do if a child tells them he/she is being abused or neglected;
- Follow the referral process if they have a concern.

This policy sets out how the PMH & PCYM's respective Boards discharge their statutory responsibilities relating to safeguarding and promoting the welfare of children who are pupils. Our policy applies to all staff, paid and unpaid, working with and for PMH & PCYM including board members. Teaching assistants, mid-day supervisors, office staff as well as teachers can be the first point of disclosure for a child. Concerned parents/carers may also contact the PMH & PCYM and their respective Boards.

It is consistent with the Safeguarding Children Partnership Board procedures.

There are four main elements to our policy:

PREVENTION through the teaching and pastoral support offered to pupils and the creation and maintenance of a protective ethos;

PROCEDURES for identifying and reporting cases, or suspected cases, of abuse. The definitions of the four categories of abuse are attached (see Appendix A);

SUPPORTING CHILDREN particularly those who may have been abused or witnessed violence towards others;

PREVENTING UNSUITABLE PEOPLE WORKING WITH CHILDREN

Processes are followed to ensure that those who are unsuitable to work with children are not employed.

This policy is available to parents on request and is on the PMH and PCYM website.

1.0 PREVENTION

1.1 We recognise that high self-esteem, confidence, supportive friends and good lines of communication with a trusted adult help to protect children.

1.2 The PMH & PCYM will therefore:

1.2.1 Establish and maintain an environment where children feel safe, including in a digital context, and are encouraged to talk and are listened to.

1.2.2 Ensure children know that there are adults in the PMH & PCYM whom they can approach if they are worried or in difficulty and their concerns will be taken seriously and acted upon as appropriate.

1.3 Prevention of Peer on Peer Abuse

We recognise that peer on peer abuse can manifest itself in many ways. This can include but is not limited to: bullying, cyberbullying, sexual violence, sexual harassment, being coerced to send sexual images (sexting), teenage relationship abuse, physical abuse and upskirting. (Part of the Voyeurism (Offences) Act, April 2019).

1.3.1 **All** forms of peer on peer abuse are unacceptable and will be taken seriously.

The PMH & PCYM will therefore:

1.3.2 Create a whole PMH & PCYM protective ethos in which peer on peer abuse, including sexual violence and sexual harassment will not be tolerated.

1.3.3 Provide training for staff about recognising and responding to peer on peer abuse, including raising awareness of the gendered nature of peer abuse, with girls more likely to be victims and boys perpetrators.

1.3.4 Ensure that staff do not dismiss instances of peer on peer abuse, including sexual violence and sexual harassment as an inevitable part of growing up.

- 1.3.5 Include within the curriculum, information and materials that support children in keeping themselves safe from abuse, including abuse from their peers and online.
- 1.3.6 Provide high quality Relationship and Sex Education (RSE), including teaching about consent.
- 1.3.7 Ensure that staff members follow the procedures outlined in this policy when they become aware of peer on peer abuse.

2.0 PROCEDURES

2.1 We will follow the procedures set out in the Cambridgeshire and Peterborough Safeguarding Children Partnership Board 'Inter-Agency Procedures'. A copy of these procedures can be found on their website:
<http://www.safeguardingcambspeterborough.org.uk/children-board/>

2.2.1 The Designated Safeguarding Lead for Child Protection is:

Kirsten Goldthorp, Music Hub Manager + PCYM Centre Manager

2.2.2 The following members of staff have also received the Designated Safeguarding Lead training:

Morag Richardson, Music Hub Officer

2.2.3 The nominated Board member for Safeguarding and Child Protection is:

Lisa Roberts, Chairman of Peterborough Music Hub Board

2.3 The PMH & PCYM Boards will:

- 2.3.1 Appoint a senior member of staff, from the leadership team, to the role of Designated Safeguarding Lead (DSL). The DSL will take lead responsibility for safeguarding and child protection. Whilst the activities of the DSL can be delegated to appropriately trained deputies, (Deputy Designated Safeguarding Lead, DDSL), the lead responsibility for child protection remains with the DSL and cannot be delegated.
- 2.3.2 Ensure that the role of DSL and DDSL is explicit in the role holder's job description.
- 2.3.3 Ensure that the DSL has the appropriate status and authority within the PMH & PCYM to carry out the duties of the post. Give the DSL the time, funding, training, resources and support to provide advice and support to other staff on child welfare and child protection matters. (See 'Keeping Children Safe in Education, Annex B'). Ensure that the DSL and deputies have undertaken the two day training provided by the Education Safeguarding Team and that this training is updated **at least every two years**.
- 2.3.4 Ensure that in addition to the formal training set out above, the DSL and DDSLs refresh their knowledge and skills e.g. via bulletins, meetings or further reading **at least annually**.

2.3.5 Ensure that every member of staff, paid and unpaid, and the Board knows who the Designated Safeguarding Leads and Deputies are and the procedures for passing on concerns from the **point of induction**.

Staff members are required to complete a logging concern form and pass it in person to the DSL/DDSL immediately. If they are working in another school, establishment on behalf of PMH and/or PCYM, they should report it using that school's processes and systems with information passed to PMH and/or PCYM as required.

2.3.6 Ensure that the DSL or *DDSL* are always available (during PMH & PCYM hours, during term-time) to discuss any safeguarding concerns and that all staff are clear upon the course of action they must take if in exceptional circumstances the DSL and *DDSL* are not available. If this is the case, Staff should speak to Lisa Roberts. Head of Culture and Leisure.

2.3.7 Liaise with the three safeguarding partners (Loca Authority, clinical commissioning group and police) as appropriate and work with other agencies in line with Working Together to Safeguard Children, 2018.

2.3.8 Ensure every member of staff and every Board member knows:

- the name of the designated safeguarding leads/deputies and their role;
- how to identify the signs of abuse and neglect;
- how to pass on and record concerns about a pupil;
- that they have an individual responsibility to be alert to the signs and indicators of abuse; and for referring child protection concerns to the DSL/DDSL;
- that they have a responsibility to provide a safe environment in which children can learn;
- where to find the Inter – Agency Procedures on the Safeguarding Children Partnership Board website;
- their role in the early help process;
- the process for making referrals to children's social care.

2.3.9 Ensure all staff members undergo safeguarding and child protection training at induction. Ensure that staff training is regularly updated and that in addition to this training all staff members receive regular safeguarding and child protection updates as required **but at least annually**.

2.3.10 Ensure that all staff, paid and unpaid, recognise their duty and feel able to raise concerns about poor or unsafe practice in regard to children and that such concerns are addressed sensitively and effectively in a timely manner in accordance with agreed whistle-blowing policies.

2.3.11 Ensure that parents are informed of the responsibility placed on the PMH & PCYM and staff in relation to child protection by setting out these duties in the PMH & PCYM *prospectus/brochure/website (delete as appropriate)*.

2.3.12 Ensure that this policy is available publicly either via the PMH & PCYM website (*you may include the website address here*) or by other means.

2.3.13 Where pupils are educated off site or in alternative provision, the PMH & PCYM and the provider will have clear procedures about managing safeguarding concerns between the two agencies. Written confirmation that the alternative provider has carried out appropriate

safeguarding checks on individuals working at the establishment will be sought by the PMH & PCYM.

The majority of PMH work takes place in students' own schools, PMH teachers should follow the schools safeguarding policy and report concerns using that schools' processes and systems with information passed to PMH and/or PCYM as required.

In other venues schools arrange to attend PMH activity as an educational visit which is organised by the school who take on safeguarding responsibility for their students.

PCYM takes place at Ormiston Bushfield Academy and has consulted with both the school and the school letting company regarding site specific safeguarding procedures.

2.4 Liaison with Other Agencies

The PMH & PCYM will:

2.4.1 Work to develop effective links with relevant services to promote the safety and welfare of all pupils.

2.4.2 Co-operate as required, in line with 'Working Together to Safeguard Children,' (July 2018), with key agencies in their enquiries regarding child protection matters including attendance and providing written reports at child protection conferences and core groups.

2.5 Record Keeping

The PMH & PCYM will:

2.5.1 Keep clear, detailed, accurate, written records of concerns about children (noting the date, event and action taken), even where there is no need to refer the matter to Social Care immediately.

2.5.2 Ensure electronic records are stored on an identified, purpose-built, secure platform (e.g. MyConcern or CPOMS).

2.5.3 Ensure all relevant child protection records are sent to the child's school or establishment in accordance with 'Keeping Children Safe in Education' (September 2020) and the Education Safeguarding Team's Guidance on Keeping and Managing Child Safeguarding Records.

2.5.4 Make parents aware that such records exist except where to do so would place the child at risk of harm.

2.5.5 Ensure all actions and decisions are led by what is considered to be in the best interests of the child.

2.6 Confidentiality and information sharing

2.6.1 The Data Protection Act 2018 does not prevent PMH & PCYM staff from sharing information with relevant agencies, where that information may help to protect a child.

The PMH & PCYM will:

2.6.2 Ensure staff and volunteers adhere to confidentiality protocols and that information is shared appropriately.

- 2.6.3 Ensure staff are aware that they have a professional responsibility to share information with other agencies in order to safeguard children, (as set out in 'Information sharing; Advice for practitioners providing safeguarding services to children, young people, parents and carers,' DfE, July 2018).
- 2.6.4 Ensure that if a member of staff receives a Subject Access Request (under the Data Protection Act 2018) from a pupil or parent they will refer the request to the DSL or Headteacher.
- 2.6.5 Ensure staff are clear with children that they cannot promise to keep secrets.

The Designated Safeguarding Lead/Deputies will:

- 2.6.6 Disclose information about a pupil to other members of staff on a 'need to know' basis. Parental consent may be required.
- 2.6.7 Aim to gain consent to share information and be mindful of situations where to do so would place a child at increased risk of harm. Information may be shared without consent if a person believes that there is good reason to do so, and that the sharing of information will enhance the safeguarding of a child in a timely manner.
- 2.6.8 Record when decisions are made to share or withhold information, who information has been shared with and why. (See 'Working Together to Safeguard Children,' July 2018)
- 2.6.9 Seek advice about confidentiality from outside agencies if required. (See 'Information sharing; Advice for practitioners providing safeguarding services to children, young people, parents and carers,' DfE, July 2018).

2.7 Communication with Parents/Carers

The PMH & PCYM will:

- 2.7.1 Ensure that parents/carers are informed of the responsibility placed on the PMH & PCYM and staff in relation to child protection by setting out its duties in the PMH & PCYM prospectus/website.
- 2.7.2 Undertake appropriate discussion with parents/carers prior to involvement of another agency, unless the circumstances preclude this action.
- 2.7.3 Seek advice from Social Care if the PMH & PCYM believes that notifying parents could increase the risk of harm to the child. *[Further guidance on this can be found in the Inter-agency Procedures of the Safeguarding Children Partnership Board]*. Particular circumstances where parents **may not** be informed include any disclosure of sexual abuse or physical abuse where the child has an injury or where it may lead to the loss of evidence.
- 2.7.4 Record what discussions have taken place with parents or if a decision has been made not to discuss it with parents, record the reasons why. Records may subsequently be disclosable to relevant partner agencies if Child Protection proceedings commence, (see 2.6.1)

2.8 Dealing with Sexual Violence and Sexual Harassment between children

The PMH & PCYM recognise that sexual violence and sexual harassment can occur between two children of any age and sex. Sexual violence may include rape, assault by penetration or sexual assault. Sexual harassment refers to 'unwanted conduct of a sexual nature', such as sexual comments, sexual taunting or physical behaviour such as deliberately brushing against someone. Online sexual harassment may include non-consensual sharing of sexual images and videos, sexualised online bullying, unwanted sexual comments and messages, and sexual exploitation, coercion and threats.

The PMH & PCYM will:

- 2.8.1 Be clear that sexual violence and sexual harassment will not be tolerated.
- 2.8.2 Provide training for staff on how to manage a report of sexual violence or sexual harassment.
- 2.8.3 Make decisions on a case-by-case basis.
- 2.8.4 Reassure victims that they are being taken seriously, offer appropriate support and take the wishes of the victim into account when decision making.
- 2.8.5 Implement measures to keep the victim, alleged perpetrator and if necessary other children and staff members, safe. Record any risk assessments and keep them under review.
- 2.8.6 Give consideration to the welfare of both the victim(s) and perpetrator(s) in these situations.
- 2.8.7 Liaise closely with external agencies, including police and social care, when required.
- 2.8.8 Further guidance can be found in 'Keeping Children Safe in Education - Part Five' (September 2020), 'Sexual violence and sexual harassment between children in PMH & PCYMs and colleges,' (DfE, May 2018) and 'Sexting in PMH & PCYMs and colleges: Responding to incidents and safeguarding young people' published by the UK Council for Child Internet Safety (UKCCIS)

3.0 SUPPORTING CHILDREN

The PMH & PCYM recognises that **any** child may be subject to abuse and that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation and as such will support all children by:

- 3.1 Providing curricular opportunities to encourage self-esteem and self-motivation.
- 3.2 Creating an ethos that actively promotes a positive, supportive and safe environment and values the whole community.
- 3.3 Applying the PMH & PCYM's behaviour policy effectively. All staff will agree on a consistent approach, which focuses on the behaviour of the child but does not damage the pupil's sense of self-worth. The PMH & PCYM will ensure that the pupil knows that some behaviour is unacceptable but s/he is valued and not to be blamed for any abuse which has occurred.

- 3.4 Liaising with other agencies which support the pupil such as Social Care, Child and Adolescent Mental Health Services, Cambridgeshire Sexual Behaviour Service or Early Help Teams.
- 3.5 Developing productive and supportive relationships with parents/carers.
- 3.6 The PMH & PCYM recognises that whilst **any** child may benefit from early help, staff are encouraged to consider the wider environmental factors present in a child's life which could pose a threat to their welfare or safety, (contextual safeguarding). Staff are required to be particularly alert to the potential need for early help for those:

3.6.1 **Children with Disabilities, Additional Needs or Special Educational Needs**

We recognise that, statistically, children with additional needs, special educational needs, emotional and behavioural difficulties and disabilities are most vulnerable to abuse. PMH & PCYM staff who deal with children with complex and multiple disabilities and/or emotional and behavioural problems should be particularly sensitive to indicators of abuse.

The PMH & PCYM has pupils with emotional and behavioural difficulties and/or challenging behaviours. The PMH & PCYM will support staff to decide appropriate strategies that will reduce anxiety for the individual child and raise self-esteem as part of an overall behaviour support plan agreed with parents/carers.

The PMH & PCYM has pupils who may have communication difficulties and we are aware that they are vulnerable to abuse because they are unable to express themselves to others. Instead such children will often exhibit changes in behaviours or signs and indicators of abuse recognised by staff with a good knowledge of the child.

Where necessary, the PMH & PCYM will provide additional training to staff in the use of Makaton, PECS or other communication systems. Supervision by senior managers will be vigilant to create a protective ethos around the child.

We promote high standards of practice, including ensuring that disabled children know how to raise concerns, and have access to a range of adults with whom they can communicate.

3.6.2 **Young Carers**

The PMH & PCYM recognises that children who are living in a home environment which requires them to act as a young carer for a family member or a friend, who is ill, disabled or misuses drugs or alcohol can increase their vulnerability and that they may need additional support and protection.

PMH & PCYM will: seek to identify young carers; offer additional support internally; signpost to external agencies; be particularly vigilant to the welfare of young carers and follow the procedures outlined in this policy, referring to Early Help or Social Care as required if concerns arise.

3.6.3 **Children at Risk of Criminal Exploitation**

Criminal exploitation of children is a form of harm that is a typical feature of county lines activity. Drug networks or gangs exploit children and young people to carry drugs and

money from urban areas to suburban and rural areas. Exploitation can occur even if activity appears to be consensual.

All staff will consider whether children are at risk of abuse or exploitation in situations outside their families. PMH & PCYM will address indicators of child criminal exploitation with staff through training. Staff will follow the procedures outlined in this policy if concerns of criminal exploitation arise.

The Designated Safeguarding Lead will complete Safeguarding Children Partnership Board's Exploitation (CSE / Criminal/Gangs) Risk Assessment and Management Tool and refer to Social Care if there is a concern that a young person may be at risk of criminal exploitation.

The PMH & PCYM recognises that young people who go missing can be at increased risk of child criminal exploitation and/or trafficking and has procedures in place to ensure appropriate response to children and young people who go missing, particularly on repeat occasions – (see 3.6.4).

3.6.4 Children Frequently Missing Education

PMH & PCYM recognises that children going missing, particularly repeatedly, can act as a warning sign of a range of safeguarding possibilities including abuse, neglect, child sexual exploitation and child criminal exploitation, mental health problems, risk of substance abuse, risk of travelling to conflict zones, and risk of FGM or forced marriage.

The PMH & PCYM monitors attendance of individual PCYM pupils closely, as outlined in the Attendance Policy, and analyses patterns of absence to aid early identification of concerning patterns of absence.

The PMH & PCYM endeavors to hold more than one emergency contact for each pupil to provide additional options to make contact with a responsible adult when a child missing education is identified as a welfare and/or safeguarding concern.

3.6.5 Children Misusing Drugs or Alcohol

The discovery that a young person is misusing legal or illegal substances or reported evidence of their substance misuse is not necessarily sufficient in itself to initiate child protection proceedings but the PMH & PCYM will consider such action in the following situations:

When there is evidence or reasonable cause:

- To believe the young person's substance misuse may cause him or her to be vulnerable to other abuse such as sexual abuse;
- To believe the pupil's substance related behaviour is a result of abuse or because of pressure or incentives from others, particularly adults;
- Where the misuse is suspected of being linked to parent/carer substance misuse.
- Where the misuse indicates an urgent health or safeguarding concern
- Where the child is perceived to be at risk of harm through any substance associated criminality

3.6.6 Children at Risk of Child Sexual Exploitation

Child sexual exploitation is a form of child sexual abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator or facilitator. The victim may have been sexually exploited even if the sexual activity appears consensual. Child sexual exploitation does not always involve physical contact; it can also occur through the use of technology.

Sexual exploitation can take many different forms from the seemingly 'consensual' relationship to serious organised crime involving gangs and groups. Potential indicators of sexual exploitation will be addressed within staff training, including raising awareness with staff that some young people who are being sexually exploited do not show any external signs of abuse and may not recognise it as abuse. Staff will follow the procedures outlined in this policy if concerns of child sexual exploitation arise.

The Designated Safeguarding Lead will complete the Safeguarding Children Partnership Board's Exploitation (CSE / Criminal/Gangs) Risk Assessment and Management Tool and refer to Social Care if there is a concern that a young person may be at risk of CSE.

The PMH & PCYM recognises that young people who go missing can be at increased risk of sexual exploitation and has procedures in place to ensure appropriate response to children and young people who go missing, particularly on repeat occasions (see 3.6.4).

3.6.7 Children Living with Substance Misusing Parents/Carers

Misuse of drugs and/or alcohol is strongly associated with Significant Harm to children, especially when combined with other features such as domestic violence.

When the PMH & PCYM receives information about drug and alcohol abuse by a child's parents/carers they will follow appropriate procedures.

This is particularly important if the following factors are present:

- Use of the family resources to finance the parent's dependency, characterised by inadequate food, heat and clothing for the children
- Children exposed to unsuitable caregivers or visitors, e.g. customers or dealers
- The effects of alcohol leading to an inappropriate display of sexual and/or aggressive behaviour
- Chaotic drug and alcohol use leading to emotional unavailability, irrational behaviour and reduced parental vigilance
- Disturbed moods as a result of withdrawal symptoms or dependency
- Unsafe storage of drugs and/or alcohol or injecting equipment
- Drugs and/or alcohol having an adverse impact on the growth and development of the unborn child

3.6.8 Children Living with Domestic Abuse

Domestic Abuse is defined as any incident or pattern of incidents of controlling, coercive or threatening behaviour, violence or abuse between those aged 16 or over who are or have been intimate partners or family members regardless of gender or sexuality. This can encompass but is not limited to the following types of abuse: psychological, physical, sexual, financial and emotional.

The PMH & PCYM recognises that where there is Domestic Abuse in a family, the children/young people will always be affected; the longer the violence continues, the greater the risk of significant and enduring harm, which they may carry with them into their adult life and relationships. Domestic Abuse can also affect children in their personal relationships as well as in the context of home life.

Staff will follow the procedures outlined in this policy if concerns of Domestic Abuse arise. The PMH & PCYM will vigilantly monitor the welfare of children living in domestic abuse households, offer support to them and contribute to any Multi-Agency Risk Assessment Conference (MARAC) safety plan as required.

At PMH & PCYM we are working in partnership with Cambridgeshire Police and Peterborough City Council to identify and provide appropriate support to pupils who have experienced domestic abuse in their home; this scheme is called Operation Encompass.

In order to achieve this, Cambridgeshire's Education Safeguarding Team will share police information of all domestic incidents, where one of our pupils has been present, with the Designated Safeguarding Lead(s) (DSL)/Domestic Abuse (DA) Lead.

On receipt of any information, the DSL/DA Lead will decide on the appropriate support the child may require. The Operation Encompass information is stored in line with all other confidential safeguarding and child protection information. All information sharing and resulting actions will be undertaken in accordance with the 'Cambridgeshire and Peterborough *Joint Agency Protocol for Domestic Abuse – Notifications to PMH & PCYMs, Colleges and Early Years settings*'.

3.6.9 Children at risk of 'Honour- Based' Violence including Female Genital Mutilation

So called 'honour-based' violence encompasses incidents which have been committed to protect or defend the honour of the family and/or community, including breast ironing, female genital mutilation (FGM) and forced marriage. The PMH & PCYM takes these concerns seriously and staff are made aware of the possible signs and indicators that may alert them to the possibility of HBV through training. Staff are required to treat all forms of HBV as abuse and follow the procedures outlined in this policy.

FGM is a procedure involving the partial or total removal of the external female genitalia or other injury to the female genital organs. FGM is illegal in the UK. Any indication that a child is at risk of FGM, where FGM is suspected, or where the woman is under 18, will be dealt with under the child protection procedures outlined in this policy. Staff will report concerns to the DSL, who will make appropriate and timely referrals to social care. In these cases, parents will not be informed before seeking advice and the case will still be referred to social care even if it is against the pupil's wishes.

In accordance with the Female Genital Mutilation Act, it is a statutory duty for teachers in England and Wales to report 'known' cases of FGM in under-18s which they identify in the course of their professional work to the police. Teachers should still consider and discuss any such case with the DSL and involve social care as appropriate, but the teacher will personally report to the police that an act of FGM appears to have been carried out.

3.6.10 Children who have returned home to their family from care

The PMH & PCYM recognises that a previously looked after child potentially remains vulnerable. PMH & PCYM will vigilantly monitor the welfare of previously looked after children, keep records and notify Social Care as soon as there is a recurrence of a concern in accordance with the Cambridgeshire and Peterborough Safeguarding Children Partnership Board 'Inter - Agency Procedures.'

3.6.11 Children showing signs of Abuse and/or Neglect

PMH & PCYM recognise that experiencing abuse or neglect may have an adverse impact on those children which may last into adulthood without appropriate intervention and support. PMH & PCYM may be the only stable, secure and predictable element in the lives of children at risk. Children who have experienced abuse or neglect may display this through their own behaviour, which may be challenging and defiant or passive and withdrawn. We recognise that children may develop abusive behaviours and that these children may need to be referred on for appropriate support and intervention.

All staff should be aware that safeguarding incidents and/or behaviours can be associated with factors outside the school or college and/or can occur between children outside of these environments. All staff, but especially the designated safeguarding lead (and deputies) should consider whether children are at risk of abuse or exploitation in situations outside their families. Extra-familial harms take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual exploitation, criminal exploitation, and serious youth violence.

PMH & PCYM will provide training for staff to ensure that they have the skills to identify and report cases, or suspected cases, of abuse in accordance with the procedures outlined in this policy. The definitions of the four categories of abuse are attached (see Appendix A).

3.6.12 Children at Risk of Radicalisation

PMH & PCYM recognises that children are vulnerable to extremist ideology and radicalisation and that protecting children from this risk forms part of the PMH & PCYM's safeguarding response.

The Board will ensure that the DSL has undertaken Prevent awareness training and that all staff receive training about the Prevent duty.

Staff are required to be alert to changes in children's behavior which could indicate they need help or protection. Concerns that a child is at risk of radicalisation are referred to the DSL in the usual way. If appropriate the DSL will make a Channel referral.

See also 'The Prevent Duty, Departmental advice for PMH & PCYMs and childcare providers', DfE (June 2015), and 'Revised Prevent Duty Guidance: for England and Wales,' HM Government, (July 2015).

3.6.13 Privately Fostered Children

Private fostering is when a child under the age of 16, (under 18 if disabled) is provided with care and accommodation by a person who is not a parent, person with parental responsibility for them or relative in their own home for 28 days or more.

The PMH & PCYM will follow the mandatory duty to inform the local authority of any 'Private Fostering' arrangements and refer to the Specialist Fostering Team.

3.6.14 Children who have Family Members in Prison

The PMH & PCYM is committed to supporting children and young people who have a parent or a close relative in prison and will work with the family to find the best ways of supporting the child.

The PMH & PCYM recognises that children with family members in prison are at risk of poor outcomes including: poverty, stigma, isolation, poor mental health and poor attendance.

The PMH & PCYM will treat information shared by the family in confidence and it will be shared on a 'need to know' basis.

The PMH & PCYM will work with the family and the child to minimise the risk of the child not achieving their full potential.

4.0 PREVENTING UNSUITABLE PEOPLE FROM WORKING WITH CHILDREN

4.1 The PMH & PCYM will operate safer recruitment practices including ensuring appropriate DBS and reference checks are undertaken according to Part three of 'Keeping Children Safe in Education' (2020). This section should be read in conjunction with the PMH & PCYM's Safer Recruitment Policy.

4.2 The Board will ensure that at least one of the persons who conducts an interview has completed safer recruitment training.

The following members of staff have undertaken Safer Recruitment training

Kirsten Goldthorp, Music Hub Manager & PCYM Centre Manager

4.3 Any allegation of abuse made against a member of staff including volunteers will be reported straight away to the PMH & PCYM Manager. In cases where the PMH & PCYM Manager is the subject of an allegation, it will be reported to the Chair of Board members. (See Allegations flowchart Appendix C1 (Cambridgeshire) and Appendix C2 (Peterborough). The PMH & PCYM will follow the procedures set out in Part four of 'Keeping Children Safe in Education' (2020).

Peterborough

P4.4 The PMH & PCYM will consult with the Local Authority Designated Officer (LADO) in the event of an allegation being made against a member of staff or volunteer and adhere to the relevant procedures set out in 'Keeping Children Safe in Education', (2020) *and the PMH & PCYM's Personnel Manual from EPM Ltd or other HR provider (for subscribing PMH & PCYMs).*

P4.5 PMH & PCYM Manager or Chair of Board members will ensure that all allegations are reported to the LADO within one working day. The LADO will advise on all further action to be taken. Please note that the Head Teacher or Chair of Board members should **not** seek to interview the child/ren or members of staff involved until advice has been sought. Doing so may compromise any police interviews that may be necessary.

- 4.6 The PMH & PCYM will ensure that any disciplinary proceedings against staff or volunteers relating to child protection matters are concluded in full even when the member of staff or volunteer is no longer employed at the PMH & PCYM and that notification of any concerns is made to the relevant authorities and professional bodies and included in references where applicable.
- 4.7 Staff including volunteers who are the subject of an allegation have the right to have their case dealt with fairly, quickly, and consistently and to be kept informed of its progress. Suspension is not mandatory, nor is it automatic but, in some cases, staff may be suspended where this is deemed to be the best way to ensure that children are protected.
- 4.8 Consideration must be given to the needs of the child and a recognition that a child may make an allegation against an innocent party because they are too afraid to name the real perpetrator. It is rare for a child to make an entirely false or malicious allegation, although misunderstandings and misinterpretations of events do happen.
- 4.9 The PMH & PCYM will ensure that all staff, paid and unpaid, are aware of the need for maintaining appropriate and professional boundaries in their relationships with pupils and parents/carers as advised within the the Local Authority's Code of Conduct: 'Guidance for Safer Working Practice for Adults who work with Children and Young People in Education Settings' (May 2019). As part of the Induction process, all staff, paid and unpaid, will receive guidance about how to create appropriate professional boundaries (in both the real and virtual world) with all children, especially those with a disability or who are vulnerable.
- 4.10 All staff have signed to confirm that they have read 'Guidance for Safer Working Practice for Adults who work with Children and Young People in Education Settings' (May 2019).
- 4.11 The PMH & PCYM will ensure that staff and volunteers are aware that sexual relationships with pupils aged under 18 are unlawful and could result in legal proceedings taken against them under the Sexual Offences Act 2003 (Abuse of Position of Trust).
- 4.12 The PMH & PCYM will ensure that communication between pupils and adults, by whatever method, are transparent and take place within clear and explicit professional boundaries and are open to scrutiny.

5.2 Use of Mobile Phones Policy

5.2.2 Our policy on use of mobile phones, cameras and sharing of images is set out in a separate document and is reviewed annually. It is recognised that personal mobile phones have the potential to be used inappropriately and therefore the PMH & PCYM has developed a policy to outline the required protocol for all staff, students, volunteers and parents/carers.

6.0 BOARD CHILD PROTECTION RESPONSIBILITIES

6.1 The Board fully recognises its responsibilities with regard to child protection and safeguarding and promoting the welfare of children. It aims to ensure that the policies, procedures and training in PMH & PCYM are effective and comply with the law and government guidance at all times.

It will:

- Nominate a Board member for safeguarding and child protection who will take leadership responsibility for the PMH & PCYM's safeguarding arrangements and practice and champion child protection issues.
- Ensure an annual report is made to the full Board, and copied to the Education Safeguarding Team. Any weaknesses will be rectified without delay.
- Ensure that this Safeguarding and Child Protection policy is annually reviewed and updated and shared with staff. It will be made available on the PMH & PCYM website.
- Ensure that children's exposure to potential risks while using the internet is limited by having in place age appropriate filtering and monitoring systems.
- Ensure children's wishes and feelings are taken into account where there are safeguarding concerns.

In addition, the PCYM board will work closely with the Safeguarding lead at The Guildhall School of Music and Drama, its close partner to share good practice and align as appropriate.

6.2 Extended PMH & PCYMs and Before and After PMH & PCYM Activities (on or off PMH & PCYM site)

6.2.1 If the Board provides extended PMH & PCYM facilities or before or after PMH & PCYM activities directly under the supervision or management of PMH & PCYM staff, the PMH & PCYM's arrangements for child protection as written in this policy shall apply.

6.2.2 Where services or activities are provided separately by another body, either on or off PMH & PCYM site, the Board will seek assurance that the body concerned has appropriate policies and procedures in place for safeguarding children and child protection and there are arrangements to liaise with the PMH & PCYM on these matters where appropriate.

This policy was ratified on 5th November 2019 and will be reviewed on 5th November 2020

Four categories of abuse

Physical Abuse - may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

Neglect - persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development.

It may occur during pregnancy as a result of maternal substance misuse.

It may involve the neglect of or lack of responsiveness to a child's basic emotional needs.

It also includes parents or carers failing to:

- Provide adequate food, clothing and shelter including exclusion from home or abandonment
- Protect a child from physical and emotional harm or danger
- Ensure adequate supervision including the use of inadequate care-givers
- Ensure access to appropriate medical care or treatment

Emotional Abuse - Is the persistent emotional maltreatment so as to cause severe and adverse effects on a child's emotional development.

It may involve conveying to a child that they are:

- Worthless
- Unloved
- Inadequate
- Valued only insofar as they meet another person's needs

It may include:

- not giving the child opportunities to express their views
- deliberately silencing them
- 'making fun' of what they say or how they communicate

It may also feature age or developmentally inappropriate expectations being imposed on children including:

- interactions that are beyond the child's developmental capability
- overprotection and limitation of exploration and learning
- preventing participation in normal social interaction.

It may involve:

- Seeing or hearing the ill-treatment of another
- Serious bullying (including cyberbullying) causing children frequently to feel frightened or in danger
- The exploitation or corruption of children

Some level of emotional abuse is involved in all types of maltreatment although it may occur alone

Sexual Abuse – involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening.

This may involve:

- physical contact including assault by penetration (e.g. rape or oral sex)
- non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing
- non-contact activities involving:
 - children in looking at, or in the production of, sexual images,
 - children in watching sexual activities
 - or encouraging children to behave in sexually inappropriate ways
 - grooming a child in preparation for abuse (including via the internet).

Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.
